Options for sending prescriptions to US Bioservices

1. Portal

Send online prescription orders through the MyPathpoint Prescriber Portal. To login or register visit mypathpoint.com

2. E-Prescribe

Search for US Bioservices under 'Retail Pharmacy,' select 'Texas' as the state, and send the prescription. Include the ICD-10 code and patient insurance information in the pharmacy notes section or fax it to (888) 899-0067. If you wish to have US Bioservices act on your behalf to initiate the prior authorization process, insert the following attestation language exactly as it appears below in the comments section of your e-prescription.

"I authorize US Bioservices to act on behalf of myself and my patient to initiate any de minimis authorization process from health plans including the submission of any necessary forms to such health plans."

3. Fax

Fax patient prescriptions, associated insurance cards, recent clinical notes and labs to (888) 899-0067.

4. Phone

Contact one of our pharmacists at (877) 757-0667 to give a verbal prescription order.
